WRITING

1.

Recently I have seen a film called „Blast from Past”. It's pretty much a traditional movie in our family, so, as you would have expected, I was watching it ~~was~~ with my family, specifically my mother.

„Blast from Past” is a film about a ~~the~~ happy married couple, that was building a nuclear bunker in fear of a nuclear bomb being dropped, and at some point father sees some big object on a radar, that directed to their street, which they think was a bomb, but it actually was a plane, but they still would enter the bunker and be there for 30 years with their son Adam, that has never been outside, so as the 30 years passes, they step outside to see the new world and face the differences ^{with} of their times and try to adapt to this weird world. I would not spoil it any further.

I would recommend it to you, cause it's a unique and hilarious experience
